knowledge

What Does It Mean?

If a person has knowledge of something, he or she understands facts and information about it.

Sentence:

Knowledge, or information, can come from books and many other places.

Think About It:

What knowledge do you have about growing plants?

curious

What Does It Mean?

If you are curious, you are very interested in learning or finding out things.

Sentence:

You can search the Internet if you are curious, or want to learn, about sea animals.

Think About It:

How you ever been curious about how birds fly? How can you find out?

motion

What Does It Mean?

A motion is an action or movement.

Sentence:

A hand held up is a **motion** to stop!

Think About It:

What kind of motion do you use when you swim? Describe it.

silence

What Does It Mean?

Silence is a lack of sound.

Sentence:

The rule in the library is “**Silence!** Please don’t speak.”

Think About It:

When have you heard total silence? What was it like?

illness

What Does It Mean?

If you have an illness, you are not healthy.

Sentence:

This child has an illness, but she won't be sick for long.

Think About It:

How did you help someone with an illness feel better?

imitated

What Does It Mean?

When you imitated something, you copied it.

Sentence:

This girl **imitated**, or copied, her teacher to learn sign language.

Think About It:

Have you ever imitated your teacher? What did you do?

darkness

What Does It Mean?

Darkness means without light.

Sentence:

Flashlights help people see better in darkness.

Think About It:

Which senses can you use in the darkness?

behavior

What Does It Mean?

Someone's behavior is his or her way of acting.

Sentence:

Taking a telephone message is good **behavior**. It is a polite way to act.

Think About It:

Have you ever been able to change the behavior of a pet? How did its behavior change?
